A World Day Against Trafficking In Persons

World Day Against Human Trafficking in Person was observed at KMWSC on 30th July, 2024 at office premises with the Skill Development Students. The program included powerful speech on the concept, ways and types of trafficking and on its prevention. The open forum was initiated where the participants shared their views, opinions on human trafficking that came up with various learning experiences for others. An effective video was presented on human trafficking, which left the participants with more impact which was amplified with posters with strong message to stop Human Trafficking.
