

UNDERSTANDING FINANCING FOR DEVELOPMENT

KEY ISSUES FROM A UNITED NATIONS CONFERENCE

1. DEBT AND DEBT SUSTAINABILITY

Managing borrowing safely to avoid financial trouble

2. DOMESTIC PUBLIC SERVICES

Strengthening tax collection to fund public services

3. INTERNATIONAL TRADE AS AN ENGINE FOR DEVELOPMENT

Promoting fair and open global trade

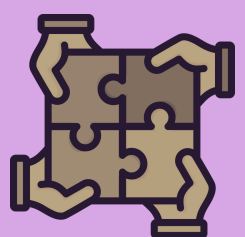

4. DOMESTIC AND INTERNATIONAL PRIVATE BUSINESS AND FINANCE

Making it easier for businesses to invest responsibly

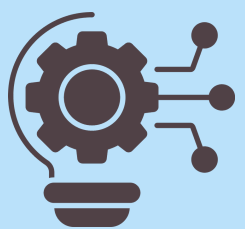

5. INTERNATIONAL DEVELOPMENT COOPERATION

Countries working together to achieve development goals

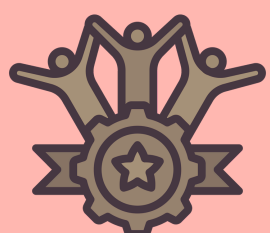

6. SCIENCE, TECHNOLOGY AND INNOVATION

Using new ideas and tools to solve problems

7. CAPACITY DEVELOPMENT

Training people and strengthening institutions for a sustainable future

8. SYSTEMIC ISSUES IN FINANCING FOR DEVELOPMENT

Deep-rooted problems in the global system that makes it harder for poorer countries to develop
